

Free Outreach Opportunity

Do you offer support services or adult education opportunities to immigrants in the London/Middlesex area?

We are hosting a one-day event called, “**Learning Together.**” This event will encourage immigrants to meet with service providers who can help them be more connected to the community. The event will also introduce immigrants to educational opportunities that can help them achieve their goals. If you think your organization can play a role in achieving these goals, we invite you to set up a display booth and contribute to the success of this daylong event.

March 7, 2018 from 10 am to 3 pm

Location: Goodwill Industries, 255 Horton Street, London ON, N6B 1L1

3rd floor Community Hall

During the Learning Together event, attendees will be invited to network and interact with service providers. This will allow immigrants, service providers and educators to explore what you have to offer.

Register for your free booth by February 21, 2018.

To register, contact Anne Marie Curtin at Literacy Link South Central amcurtin@bellnet.ca (519) 681-7307.

Please note: We ask that a person be at your booth throughout the day so people can have conversations about your services. We invite those who will be with us throughout the day to join us for lunch. Please indicate at the time of registering if you will be joining us for lunch and if there are any dietary needs we should consider.
